

Let it Snow!

Oh! the weather outside is frightful (C)
But the fire is so delightful (G7)
And since we've no place to go (F,G7)
Let It Snow! Let It Snow! Let It Snow! (C, G7, C)

It doesn't show signs of stopping
And I brought some corn for popping
The lights are turned way down low
Let It Snow! Let It Snow! Let It Snow!

When we finally kiss goodnight (G)
How I'll hate going out in the storm! (D7, G)
But if you'll really hold me tight (G)
All the way home I'll be warm (G, D7, G, G7)

The fire is slowly dying
And, my dear, we're still goodbying
But as long as you love me so
Let It Snow! Let It Snow! Let It Snow!

This popular winter love story, while sung during the holidays, mentions no holiday. It was written in 1945, on one of the hottest days of summer. We hope you enjoy with us, "Let it Snow."
