

Song Workshop

for Girl Scout Leaders and Teens

Have you ever wondered what the tune was to that song you heard a troop of Girl Scouts singing? Have you forgotten the words to that silly song that your troop wants to learn? Do you want to learn a variety of old and new Girl Scout songs to sing with your troop? Then we have the workshop for you! Join the Girl Scout Chorus for our singing extravaganza and musical experience. You will sing the afternoon away, led by girls and adults from the Girl Scouts of Central Maryland's very own chorus. Snack will be served.
