

# Up with People

Chorus:

Up, up with people; you meet them wherever you go. (D, G, D)  
Up, up with people; they're the best kinda folks to know. (D,G,A7)  
If more people were for people, all people everywhere (D, G, D)  
There'd be a lot less people to worry about and a lot more people to care (G,D,A7,D)  
There'd be a lot less people to worry about and a lot more people to care (G,D,A7,D)

Verse 1:

It happened just this morning, I was walking down the street. (D, G, D)  
A milkman and a postman, a policeman I did meet. (D, G, A7)  
There in every window and every single door, (D, G, D)  
I recognized people I'd never noticed before. (G,D,A7,D)

Chorus

Verse 2:

People from the Southland and people from the North,  
Like a mighty army, I saw them coming forth.  
'Twas a great reunion, befitting of a king.  
Then I realized people were more important than things.

Chorus

Verse 3:

Inside everybody, there's some bad and there's some good.  
Don't let anybody start attacking peoplehood.  
Love them as they are, and fight for them to be  
Great men and great women as God meant them to be.

Chorus

"Up with People" is the theme song of an international non-profit educational organization which puts together multi-national casts of young people to travel the world singing and offering service.
