

Listen to the Earth (4 part round- lightly)

(Dorothy Lind, for Canadian Girl Guides, 1991)

Listen to the earth, it's singing to me (G, Bm, C, D7, G)

Hear all nature's harmony

Waterfalls and raindrops, Wind and sea

Sing the song of the earth to me!

"Listen to the Earth" is a Girl Guiding round written by Dorothy Lind of Canada. It is a wonderful celebration of the earth and its wonders.
