

## Dreidel Song

1. I have a little dreidel; (D) 2. It has a lovely body  
I made it out of clay. (D, A7) With legs so short and thin  
And when it's dry and ready (A7) And when it gets all tired,  
Then dreidel I shall play! (A7, D) It drops and then I win!

3. My dreidel's always playful  
It loves to dance and spin.  
A happy game of dreidel  
Come play, now let's begin!

### Chorus:

Oh - dreidel, dreidel, dreidel, (D) Oh, dreidel, dreidel, dreidel,  
I made it out of clay (D, A7) With legs so short and thin,  
And when it's dry and ready (A7) Oh, dreidel, dreidel, dreidel,  
Then dreidel I shall play! (A7, D) It drops and then I win!  
Oh, dreidel, dreidel, dreidel,  
It loves to dance and spin.  
Oh, dreidel, dreidel, dreidel,  
Come play, now let's begin!

The dreidel is a Hanukkah top with one letter on each side – hey, none, gimel, and shin. Children and adults alike love to spin the top, winning or losing their nuts, raisins, or candies, as they celebrate the great miracle of Hanukkah.
